Entreleadership by Dave Ramsey

SYNOPSIS: Entreleadership walks students through the day-to-day aspects of running a business, such as decisionmaking, hiring and firing, writing legal contracts, dealing with personnel issues, and other key topics.

➔ REASONS FOR TEACHING: As a Christian author, Dave Ramsey takes a no-nonsense, honest, practical approach to running a business. He tackles difficult topics head-on and explains how to address each topic from a Christian perspective. We’ve chosen this book because of Ramsey’s practical wisdom, biblical perspective, sense of humor, and down-to-earth writing style, which will help students clearly understand issues that may seem complex and daunting.
