

# AP<sup>®</sup> English Language & Composition

How does our course prepare you for the exam?

## ANALYSIS QUIZZES

One of the most technically challenging pieces of the course. These prepare students for the multiple choice section of the exam.

## HANDWRITTEN WORK

The handwritten portion of the AP<sup>®</sup> Exam is over 2 hours long. Regular handwritten work helps equip students to tackle it.

## ESSAY PREP

The AP<sup>®</sup> Exam is filled with essay questions. We assign timed, handwritten essays to help students get ready to tackle them.

→ **Remember:** An AP<sup>®</sup> course is designed for two purposes: college prep and exam prep. Our course teaches the content you will need for the AP<sup>®</sup> exam. But, more importantly, it teaches you to think, write, and study the subject with college-level expectations. If you feel the need for more exam practice, you are responsible to pursue that on your own.
