Computer Microphone (required)			

Please note:

1. Books and materials requirements are subject to change at the discretion of the instructors.
2. German students are required to use a microphone for interaction and speaking practice in their weekly live sessions. Many laptop computers come with built-in microphones. If your student needs to purchase an external microphone, there are many affordable options. The Academy suggests the following, but other models are completely acceptable as well.
 - a. [Microsoft LifeChat LX-3000 Headset](#) with noise-cancelling microphone
 - b. [Microsoft LifeCam HD-3000 Webcam](#) with built-in microphone—students can activate the microphone without using the camera function.

You can order course materials for competitive prices through our HSLDA Online Academy bookstore. Use the [Textbook Finder](#) to locate the required resources for your courses. Please note that while most books are available through the bookstore, some titles are not carried and will need to be purchased elsewhere.
