Every 2018-19 student with a course grade above 85% **passed** the AP[®] Exam with a score of 3 or higher.

→ **Remember:** An AP[®] course is designed for two purposes: college prep and exam prep. Our course teaches the content you will need for the AP[®] exam. But, more importantly, it teaches you to think, write, and study the subject with college-level expectations. If you feel the need for more exam practice, you are responsible to pursue that on your own.
