

HSLDA ONLINE ACADEMY

AP[®] Exam Results

Updated July 29, 2022

The results are in for May 2022 Advanced Placement[®] exams...

...and HSLDA Online Academy's 2021-2022 AP[®] students have done *exceptionally well*. What do we mean by this? Answering this question is what this report is all about. In the pages below, you will find tables and graphs displaying the results of our students' hard work and preparation in each subject. You will see average exam scores, pass rates, and score distributions. You will also be able to compare their performance in each subject with the performance of students worldwide.

Scoring highly on the College Board's AP[®] exams can qualify our students to receive college credit or advanced placement when they begin their undergraduate studies. Receiving college credit or advanced placement for work done in high school puts our students ahead in college and beyond. That's an achievement to celebrate.

Congratulations, HSLDA Online Academy students!

About the AP[®] Exam Results Report

The scores reported on the following pages are from students who completed a course with HSLDA Online Academy during the 2021-22 academic year and took the corresponding College Board Advanced Placement[®] (AP[®]) exam in May 2022.

The great majority of these scores are taken from the College Board's AP[®] Subject Score Roster for Online Providers (2022). The Subject Score Roster displays scores for each exam taken by HSLDA Online Academy students who identified HSLDA Online Academy as their online provider when they took the exam. A handful of the scores were reported to us by individual students.

On an as-needed basis, HSLDA Online Academy may revise this report to reflect new scores we receive from students or new College Board data. (Please see the first page for the date this report was last modified.)

If you have any questions about the information in this report, you may contact the Academy office via phone at 540-338-8290 or via email at academy@hsllda.org.

About AP[®] Exam Scoring

Advanced Placement[®] exams are scored on a scale of 1 to 5, indicating whether the student is qualified in the exam's subject and recommended to receive college credit or advanced placement.

5	Extremely well qualified
4	Well qualified
3	Qualified
2	Possibly qualified
1	No recommendation

The AP[®] credit policy of each college or university determines the credit value of a particular score at that college or university (see <https://apstudent.collegeboard.org/creditandplacement>). Typically, a score of 3 or higher is considered a passing score.

AP[®] and Advanced Placement[®] are trademarks registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

For more information about how AP® exams are scored, please see the College Board’s website:
