Cracking the AP [®] Calculus AB Examination <i>(recommended)</i>	2018	Princeton Review	9781524710019

Please note:

1. Students are encouraged to purchase the **ebook version** of the Larson textbook for convenience and better pricing.
2. A graphing calculator is required for this course. The Academy recommends a [TI-84 Plus CE](#) model, but a full list of acceptable calculators can be found on [this page](#) of the College Board's website.
3. The Princeton Review text is an optional resource that does not impact a student's course grade. It is strongly recommended, however, for additional AP[®] exam preparation and practice.
4. Books and materials requirements are subject to change at the discretion of the instructors.

You can order course materials for competitive prices through our HSLDA Online Academy bookstore. Use the [Textbook Finder](#) to locate the required resources for your courses. Please note that while most books are available through the bookstore, some titles are not carried and will need to be purchased elsewhere.
