### Please note:

- > The ebook version of this textbook is recommended for convenience and better pricing.
- > A graphing calculator is required for this course. The Academy recommends a [TI-84 Plus CE](#) model, but a full list of acceptable calculators can be found on [this page](#) of the College Board's website.
- > The Princeton Review text is an optional resource that does not impact a student's course grade. It is strongly recommended, however, for additional AP<sup>®</sup> exam preparation and practice.
- > Books and materials requirements are subject to change at the discretion of the instructors.

You can order course materials for competitive prices through our HSLDA Online Academy bookstore. Use the [Textbook Finder](#) to locate the required resources for your courses. Please note that while most books are available through the bookstore, some titles are not carried and will need to be purchased elsewhere.
