Please note:

1. Students are encouraged to purchase the **ebook version** of the Larson textbook for convenience and better pricing.
2. A graphing calculator is required for this course. The Academy recommends a [TI-84 Plus CE](#) model, but a full list of acceptable calculators can be found on [this page](#) of the College Board's website.
3. The Princeton Review text is an optional resource that does not impact a student's course grade. It is strongly recommended, however, for additional AP[®] exam preparation and practice.
4. Books and materials requirements are subject to change at the discretion of the instructors.
